Fender Mustang III v2 Combo Amp

The standard for modern guitar versatility and muscle. Mustang

amps are incredible Fender tone machines for today’s guitarists, driven by remarkably authentic amp models, a wealth of built-in effects, easy USB connectivity and Fender® FUSE™ software that lets your musical creativity and imagination run wild. And like no other amps, Mustang models make it easy to record, edit, store and share your music.

The versatile and powerful Mustang III delivers an exciting ride in a design ideal for home, stage and studio alike, with great tone from 100 watts of power, a 12” Celestion® speaker and an astounding array of performance features.
