Fender Mustang LT50 Combo Amp

Mustang LT50 incorporates what we've learned over decades of producing the world's best-sounding guitar amps. It's ideal for practice or performance, with 50 watts of power, a high quality 12-inch speaker, a super-simple user interface, full-

color display, and a collection of presets covering a wide range of music—a “greatest hits” of electric guitar tones. The versatile signal chain with high-quality onboard amp and effects models produces amazing tones, making it the most inspiring 50-watt amp in its class. And with a free Fender TONE 3.0 download, use your desktop Mac or PC to edit, store and manage your presets with ease. You’ll also have access to a wealth of exciting presets from the Fender TONE community. Mustang LT50 is a fun, flexible and easy-to-use modeling amp for any guitarist. It’s the only 50-watt amp in its class with such a rich feature set.
