Product Short Description :

Discontinued

Please see the new Fender CD-60SCE 12 String Natural Solid Top Acoustic-Electric Guitar

What guitar players wouldn’t like to have the jangly, full sound of a great 12-string at their disposal? The CD-100 12-String delivers those classic tones prized in folk and rock music for much less than you might expect. It doesn’t skimp on the details despite its low price—you get great volume and articulation with traditional dreadnought shape and scalloped X bracing, along with shimmering bell-like 12-string tone.

FEATURES

- 12-string dreadnought body style
- Spruce top with scalloped “X” bracing, mahogany back and sides
- Rosewood fingerboard
- Rosewood bridge with compensated Graph Tech® Nubone™ saddle
- Satin body and neck finish
