Fender Player Jazz Bass Tidepool Maple Fingerboard

With its dual single-coil pickups and smooth playing feel, the Player Jazz Bass is an inspiring instrument with classic,

elevated style and authentic Fender bass tone. It’s powerful, rumbling sound is punchy and tight; a growling voice that’s matched with fast, smooth playing feel for a shot of creative inspiration. Ready for action in the studio, or on the stage, the Player Jazz Bass can take anything you can think of—and everything you haven’t yet.
