# Fender Standard Classical-Folk Guitar Hardshell Case

Fender cases have been protecting instruments since the beginning, with classic flair that imparts good looks along with durability and portability. Not only will these versatile cases fit your acoustic guitar with room to spare; there’s plenty of padding to keep them scratch and damage-free. And with convenient storage compartments for accessories, you’ll always be have strings, picks, straps and more in tow.

Standard latches (one locking) and reinforced metal hinge and frame make this an excellent guitar case.
