

Proline 2.5 Inch Highbanker-Dredge With GX120 And HP200 Pump

The Proline 2.5" combo has become very well accepted with many prospectors who feel it's the perfect size dual-purpose machine. When this unit is being operated as a gold dredge, it's capable of processing in excess of five cubic yards of material per hour. It's also the smallest combo that can handle a continuous feed with a standard size shovel, making it the perfect size for one or two people.

NOTE: Color of hopper will randomly be blue, green, or red.

Price: \$3,625.00
