The new Yamaha DGX-660 is the latest ensemble digital piano to showcase a variety of interactive features that make learning, playing and sharing music fun for everyone. The new Piano Room feature of this Portable Grand lets you choose from a variety of pianos and acoustic settings to create your very own personal piano environment.

Yamaha keyboards are known for their versatility. Now you can connect a microphone to the instrument so you can sing along while you play, and hear your voice with digital effects through the built-in speakers. You can even record your performance to a USB device to share with your friends and family!

Comes with music rest that is shown in picture.
