[Pro Mark PMR Lightning Rods](#)

Promark Lightning Rods offer more attack, increased projection, and brighter cymbal sound through larger-diameter dowels. Made of premium select birch dowels, these rods provide an excellent consistency and feel. With a sound somewhere between a wire brush and a hickory drumstick, rods are the perfect sound source for the “unplugged” gig.

Seven large premium select birch dowels

Diameter: .530" Length: 16"

Smooth grip for easy playability

Unique wrap near the neck provides a tight sound with just enough texture and improves durability

All Promark drumsticks are designed, engineered, and manufactured in the USA at our Texas facility to the most stringent quality controls in the industry
