

Javelina 12 Inch Reverse Helix Trommel No Sluice (*Local Pickup Only)

THIS PRODUCT IS AVAILABLE FOR LOCAL PICKUP ONLY! For Exceptions, Please Call Us.

The advantage of a reverse helix trommel is the capability to check the amount of gold recovery after just a few shovels of material. This way you do not process material that is not worth your time. These are also great trommels for medium and small scale miners to help process concentrates from large wash plants. Water pumps and batteries are not included.

Price: \$2,695.00

Features

- Durable, built to take a beating; literally, throw, dump, chunk, shovel rocks straight into the barrel without worry about breaking the hopper. This machine is built to LAST. Easily loaded into pickup truck by 1-2 people, weighs only 265 lbs.
- Portable, convenient handle at the end of rock chute allows for wheel barrel type mobility.
- Affordable, priced almost as low as some high-bankers on the market.
- ATV tow hitch included
- Inline water filter included
- Made in the USA
