Fender Acoustic Jr Combo Amp

The Acoustic Junior amplifier delivers full, natural, best-in-class performance for acoustic-electric guitar and vocals. This powerful, portable system has two channels designed for instrument or microphone use, each with studio-quality

effects. Other convenient features include Bluetooth wireless audio streaming, an onboard 90-second looper perfect for solo shows, and more.
USB Port: For audio recording to a computer. When connected, the computer's audio control panel will display "Fender Acoustic" as an audio recording device.
