

Fender Rumble 200 Bass Combo Amp

For bassists everywhere at all levels, Rumble bass combos are re-engineered to be astoundingly compact, portable and lightweight, with seismic Fender bass tone and stage-worthy features.

On sight alone, you might not believe that the stylish diminutive Rumble 200 combo actually pumps 200 watts of pure bass muscle and finesse, but it does exactly that. Lighter and louder than ever, it's built with great features including classic Fender styling, 15" Eminence® speaker and compression horn, overdrive circuit, versatile three-button voicing and more.
