## Fender Super Champ X2 Combo Amp

Your rehearsal and recording sessions will really come alive with the unlimited tones that can be created with the Super Champ X2 combo, which takes one of Fender's most time-honored amps and ushers it into the present with updated style and modern modifications. Rocking 15 watts of dual-channel tube amp sound and a 10" speaker, the Super Champ X2 also delivers versatile amp voicing and a wide selection of digital effects. It's simple, toneful and flexible, with easy USB digital connectivity and Fender® FUSE™ software (available as a free download) for editing, preset storage, patch swapping and free artist content.
