Fender Super-Sonic 22 Combo Amp

Super-Sonic amps are the favorites of pro guitarists in many genres who love glorious Fender clean tone and expressive modern high-gain from one no-nonsense tube amp. Perfect for stage and studio, the 1×12″ Super-Sonic 22 Combo delivers this versatility with the organic feel and moderate power of the classic Deluxe Reverb® amp. The vintage channel delivers unmistakable Fender tone, and the awesome burn channel rocks overdrive from bluesy to

flame-throwing—all without masking the tonal character of your guitar. Available in 1961-style Blonde/Oxblood, with ivory "radio" knobs and flowing 1960s Fender amp logo.
