Remo PS1322-00 Pinstripe 22 inch Drumhead, Clear

Remo PS1322-00, Pinstripe 22 inch Drumhead, Clear

PinStripe

Remo's popular PinStripe heads are made from two-ply of Remo Clear film and internally muffled to dampen both the high overtones and overall resonance. The result is a very focused, low pitched sound with moderate attack and response characteristics – ideal for creating a deeper, fatter, controlled drum sound in a variety of studio and live drumming situations.

Product Short Description :

Clear Pinstripe® heads are made with two 7-mil Mylar® plies, and have quick decay, making them ideal heads for the “fat” sounds of Pop, Rock and R&B and for those who want a low pitched sound with moderate attack and response characteristics.
