Jim Dunlop GCB95F Classic Crybaby Wah Pedal

Jim Dunlop Original Crybaby Wah, GCB95F

The heart and soul of the original wah pedals was the legendary Fasel inductor, and the Cry Baby Classic has it. Why is that important? Because the Fasel inductor was the key to the gorgeous tone, voice, and sweep of those first wahs. Plus, these inductors have been unavailable for decades. Now you can get that magic tone again. Go back in time with the Cry Baby Classic with Fasel Inside. Hear what you've been missing.
