Medium  
Long Scale

stainless steel | flatwound

.055  
.070  
.090  
.105

The first electric basses were made by Fender and were strung with flatwound strings to sound more like an upright bass. Today's Stainless Flats are designed to last longer, sound brighter and still have the low finger noise that Fender Flats are known for. Try a set for Jazz, Country or any style you want. Use your imagination-try a set today! Stainless 9050s Long Scale (34").

#### FEATURES

- Stainless steel flatwound strings
- Long scale
- Available in light, medium-light or medium gauges
