

Martin M1100 Bronze Light Acoustic Guitar Strings

Martin M1100 Acoustic Guitar Strings Bronze Light Gauge

DESCRIPTION

If it's one thing we know, it's finely crafted and vintage instruments. We created our Marquis line to pamper your guitar by adding a soft silk wrap to the ball ends which prevent wear and tear on the bridge and end plate as you play. Our silk wrap puts a comforting layer of protection in place every time you change your strings.
