Fender CC-60SCE Black Solid Top Acoustic-Electric Guitar

Combining powerful onboard electronics—including a built-in tuner—with great tone and easy playability, the CC-60SCE is

ideal for beginning to intermediate level players who are ready to plug in. The smaller concert-sized body is comfortable in any playing position, while the single-cutaway body provides easy access to the upper frets. Featuring a solid spruce top for increased volume and crisp sound, mahogany back and sides, and “Easy-To-Play” neck, the CC60-SCE is a perfect choice for the beach, the patio or the coffeehouse.
