[Fender CD60 All Mahogany Acoustic Guitar With Hardshell Case](#)

The CD-60 is one of Fender's most popular guitars for novice players who still want a high-quality dreadnought with great tone and playability for any kind of acoustic music. Now, with the CD-60 All Mahogany, they can also get the beautiful look and distinctively mellow sound of a mahogany top. Its

dreadnought body style and scalloped "X" bracing provide plenty of sonic projection, making it a great guitar for lessons, practice and performance, and it includes a hard-shell case for safe and convenient transport.
