Please see the new [Fender CD-60SCE Natural Solid Top Acoustic-Electric Guitar](#)

Available in your choice of three great finishes, the CD-60CE is an acoustic-electric that offers a great value along with good tone, playability and Fender quality. A great guitar priced right for beginners, it has a Venetian cutaway that allows easy access to the upper reaches of the fingerboard, and it sounds great when plugged in using its versatile onboard electronics. Whether you're just getting started on guitar or need a good second instrument as a backup or for use with alternate tunings, the CD-60CE is an impressive instrument. Plus, it travels safely to lessons, rehearsals or gigs with its included hard-shell case.
