<u>Acoustic-Electric Nylon Guitar With Hardshell Case</u>

The CN-240SCE Thinline is a beautifully crafted classical model with a comfortable 2.75"-deep "thinline" body, a slimprofile mahogany neck for easy playability and modern electronics for superior amplified performance.

Its solid cedar top with traditional fan bracing is strong and resonant, with a rosewood back and sides for rich, full voicing. Other features include elegant neck and body binding, traditional classical rosette, 19-fret rosewood fingerboard with bone nut, rosewood bridge with bone saddle, gloss finish and Fishman® Isys™ III active pickup/preamp system with volume control, three-band EQ and onboard tuner.
