

Fender CF60 Natural Acoustic Guitar With Hardshell Case

The CF-60 Folk is perfect for players who prefer a smaller guitar body, and for novices and other players who like a comfortable guitar for more intimate performances. It has a well-balanced tone great for singer-songwriters, with great volume and projection that make it surprisingly loud. Its Natural gloss-finish body is a great traditional look, and it includes a hard shell case for safe and convenient transport.
