Fender CN-140SCE Natural Solid Top Acoustic-Electric Nylon Guitar With Hardshell Case

The Classic Design CN models combine the easy playability and distinct tone of nylon strings with the comfort of steel-string spacing. We've replaced the typically wide necks normally found on classical guitars with the same easy-playing neck profile found on all other Classic Design models. As a nod to tradition, the CN-140SCE uses a solid cedar top, along with ovangkol back and sides for a warm and mellow tone.

The CN-140SCE provides a supremely comfortable experience for players of any skill level—the 'thinline' concert body makes it a perfect guitar for the living room and stage alike, while the single cutaway makes it easy to access higher frets. When the need to plug in arises, this model's onboard Fishman® electronics provide straightforward, yet powerful tonal control.

Model Name: CN-140SCE, Natural with Case

Model #: 0970264321 Series: Classic Design

Color: Natural

Body: Solid Cedar Top with Laminated Ovangkol Back and Sides

Body Finish: Gloss Body Shape: Concert
