Fender CT-140SE Sunburst Solid Top Acoustic-Electric Travel Guitar With Hardshell Case

The new Classic Design CT models feature a brand new body shape: Travel. Its short scale and compact size make it the perfect instrument to bring along wherever the music takes you. The CT-140SE Travel body is derived from an Auditorium shape that's been scaled down to 23.5" for comfort and portability. A great choice for players of all ages and sizes, it's exceptional alternative to downsized instrument normally reserved for young strummers.

The CT-140SE comes packed with the top-of-line Classic Design appointments that players of all levels are sure to appreciate, including rosewood back and sides and an Fishman® Presys preamp system. It also features a solid spruce top and a new easy-to-play neck with rolled fingerboard edges.
