Fender FA-345CE Tea Burst Auditorium Acoustic-Electric Guitar

An instrument that sounds as good as it looks, the FA-345CE offers legendary Fender sound and performance in a single-cutaway body. Quality laminate construction, including lacewood back and sides and flame maple top with tortoiseshell binding, along with a modern Fender 3+3 headstock and Viking bridge create an easy-playing instrument that sounds great. The modern Fishman® electronics allowing you to take your sound to the stage with ease. Developing and experienced players alike will appreciate the mahogany neck that gives the guitar a lively tone while complementing the flame maple top.
