Fender American Pro II Stratocaster Roasted Pine Maple Fretboard With Hardshell Case

The American Professional II Stratocaster® draws from more than sixty years of innovation, inspiration and evolution to meet the demands of today's

working player.

Our popular Deep "C" neck now sports smooth rolled fingerboard edges, a "Super-Natural" satin finish and a newly sculpted neck heel for a supremely comfortable feel and easy access to the upper register. New V-Mod II Stratocaster single-coil pickups are more articulate than ever while retaining bell-like chime and warmth. An upgraded 2-point tremolo with a cold-rolled steel block increases sustain, clarity and high-end sparkle.

The American Pro II Stratocaster delivers instant familiarity and sonic versatility you'll feel and hear right away, with broad ranging improvements that add up to nothing less than a new standard for professional instruments.
