Fender Player Plus Nashville Telecaster Butterscotch Blonde With Gig Bag

Fusing classic Fender design with player-centric features and exciting new finishes, the Player Plus Nashville Telecaster® delivers superb playability and unmistakable style.

Powered by a set of Player Plus Noiseless pickups, the Player Plus Nashville Tele® delivers warm, sweet Tele® twang – as well as Strat® in-between tones – without hum. A push-pull switch on the tone control engages the neck pickup in switch positions 1 & 2 for two additional tones. The silky satin Modern “C” Player Plus Tele® neck fits your hand like a glove, with smooth rolled edges for supreme comfort. The 12” radius fingerboard and 22 medium jumbo frets facilitate fluid leads and choke free bends. A modern 6-saddle Tele bridge with block steel saddles adds a touch of brightness while providing precise intonation and the locking tuners provide rock-solid tuning and make string changes quick and easy.

With classic Fender style, advanced features and stunning new finishes, the Player Plus Nashville Telecaster is the perfect tool to spark your creativity and stand out from the crowd.
