Fender Player Plus Stratocaster Opal Spark With Gig Bag

Fusing classic Fender® design with player-centric features and exciting new finishes, the Player Plus Stratocaster® delivers superb playability and unmistakable style.

At the heart of this Strat® is a trio of Player Plus Noiseless™ pickups – bright and touch sensitive, they offer classic Strat tone without hum. A push-pull pot on the tone control adds the neck pickup to switch positions 1 and 2 for two sounds not usually found on a Strat®. The silky satin Modern “C” Player Plus Strat® neck fits your hand like a glove, with smooth rolled edges for supreme comfort. The 12” radius fingerboard and 22 medium jumbo frets facilitate fluid leads and choke free bends. Smooth and responsive, the 2-point tremolo provides classic vibrato effects, while the locking tuners provide rock-solid tuning and make string changes quick and easy.

With classic Fender style, advanced features and stunning new finishes, the Player Plus Stratocaster is the perfect tool to spark your creativity and stand out from the crowd.
