# Fender Squier Classic Vibe '60s Mustang Vintage White Laurel Fingerboard

While small in stature, the Classic Vibe '60s Mustang® packs a punch of incredible tone courtesy of the dual Fender-Designed alnico single-coil pickups. Small hands will appreciate the short 24" scale length and slim, comfortable "C"-shaped neck profile with an easy-playing 9.5"-radius fingerboard and narrow-tall frets. This Mustang is faithful to the original with a vintage-style tremolo system for expressive string bending effects and floating bridge with barrel saddles for solid string stability. This throwback Squier model also features 1960s-inspired headstock markings, rich-looking nickel-plated hardware and a slick vintage-tint gloss neck finish for an old-school vibe.
