Fender Squier Classic Vibe '60's Telecaster Thinline Natural Maple Fingerboard

The Classic Vibe '60s Telecaster® Thinline is a nod to the early semi-hollow Tele models from the 1960s, creating incredible tone courtesy of the Fender-Designed alnico single-coil pickups. Player-friendly features include a slim, comfortable "C"-shaped neck profile with an easy-playing 9.5"-radius fingerboard and narrow-tall frets, as well as a vintage-style Telecaster bridge with a string-through-body design and individual steel saddles for precise adjustment. This throwback Squier model also features 1960s-inspired headstock markings, rich-looking nickel-plated hardware and a slick vintage-tint gloss neck finish for an old-school vibe.
