

# Fender Squier Paranormal Offset Telecaster Butterscotch Blonde

## The shapeshifter

The Paranormal Offset Telecaster® is the quintessential mashup of Fender features, combining the components of the iconic Tele® with the comfort and style of the Jazzmaster® offset body shape. With its dual Fender-Designed alnico single-coil pickups and string-through-body bridge design, this guitar's versatile voice will sing with sustain. Other callouts include a slim "C"-shape neck profile, a gloss neck finish for a slick feel, and chrome hardware that is sure to catch the spotlight.
