Fender Standard Telecaster Arctic White Maple Fingerboard

So simple, yet incredibly versatile! Since its introduction in the early '50s, guitarists in all musical genres have relied on the Fender Telecaster guitar for its powerful tone and smooth playability. Today's Standard Telecaster guitar features the best of the old and the new: a fast-action maple neck, cast/sealed machine heads, two classic single-coil pickups, and a six-saddle string-through-body bridge. Timeless.
