

Fender Stevie Ray Vaughan Stratocaster 3-Color Sunburst, With Hardshell Case

If there were a Mount Rushmore of the Stratocaster, Stevie Ray Vaughan would be one of the greats enshrined there. Fender's Stevie Ray Vaughan Stratocaster is a finely crafted like-new version of Vaughan's favorite guitar—the famous “Number One” Strat® with which he electrified listeners everywhere and seared scorching Texas blues into the top of the charts. For pure SRV tone and style that evokes one of the Stratocaster's most revered masters, this is the “one.”
