Product Short Description :

Gretsch G5715 Lap Steel Black Sparkle. The Gretsch® Electromatic Lap Steel produces the unmistakably rich tones of an electric Hawaiian guitar. Sleek and smoothly finished in black sparkle (G5715) or tobacco sunburst (G5700), it features a solid mahogany slab body, chrome-covered single-coil pickup, chrome-plated string-through-body bridge, silver plastic deco control plate and variously shaped fingerboard position markers (circle, triangle, square, diamond).
