Product Short Description :

Swift, deadly and affordable, Jackson JS Series guitars take an epic leap forward, making it easier than ever to get classic Jackson tone, looks and playability without breaking the bank. Upgraded features such as arched tops, new high-output ceramic-magnet pickups, graphite-reinforced maple necks, and black hardware deliver more for less.

The JS11 Dinky has a poplar body, bolt-on maple speed neck with graphite

reinforcement, and 12"-radius amaranth fingerboard with 22 jumbo frets and white dot inlays. Other features include dual high-output Jackson humbucking pickups with ceramic magnets and three-way blade switching, synchronized fulcrum tremolo bridge, black hardware and die-cast tuners.
