Fender Passport EVENT PA System

With versatile controls and connectivity, the Passport Event portable audio system is perfect for amplifying your voice,

instrument and background music anytime and anywhere. Its full-range speakers, versatile features, friendly front-panel controls and 375 watts of sonic power provide powerful, clear and reliable Fender sound ideal for gigs at parties, small clubs and coffeehouses; education, sporting and worship events; meetings, seminars, presentations and more.

Conveniently self-contained with go-anywhere suitcase-style portability, easy setup, Passport Event also features Bluetooth® connectivity for streaming wireless audio from mobile devices.
