Canare GS-6 Instrument Cable (Priced Per Foot)

Features

- Stays Flexible even in Sub-Zero Weather
- Oxygen Free Copper Conductor & Shield
- Reduced Microphonic Handling Noise
- Low Capacitance & Resistance

Price: $3.00

SKU: 0039

Categories: Cable Parts & Adaptors

Product Short Description :

Instrument Cable (Priced Per Foot)

A specially designed Oxygen Free Copper 18 AWG cable for connecting Guitar/Bass or Keyboards to amps, mixers, effects pedals and all outboard signal processing gear. Low capacitance and low series resistance provides improved frequency response (flat to 50kHz). A bright, ringing characteristic sound is preserved, even when using HI-Z guitar pickups with long cable runs. The proprietary double Carbon/Braid Copper shield construction eliminates microphonic handling noise, especially on stage where amps are often set at maximum volume levels. Also highly recommended for Amp Head to Speaker Cabinet leads.

Customer Service Is Our Top Priority!
