RapcoHorizon H14-25 25 Foot Speaker Cable

Our most popular speaker cable, the H series uses bare copper stranded, twisted pair conductors – each individually jacketed with an overall round jacket added for durability. This commercial grade speaker cable is flexible and will stand the

test of time. 14 gauge wire.

* Heavy duty durable PVC jacket

* Twisted pair construction for noise rejection

* Pure copper strands for excellent sound reproduction

* Hand soldered, high quality metal 1/4 inch connectors

* Individually tested for performance and quality

Price: $47.00
