Fender Custom Shop Texas Special Stratocaster Pickups

Characterized by their midrange chirp, crystalline highs and tight bass, Fender Texas Special™ Strat pickups feature an overwound single-coil construction that produces big Texas-blues tone.

Take a vintage Strat® pickup and overwind it for more mid-range, punch and output and you get a pickup with an Attitude! Staggered Alnico 5 magnets, enamel-coated magnet wire and cloth output wires make these pickups the choice of many signature artists. Featuring pickups calibrated for each position and a reverse-coil, reverse-wound middle pickup for noise cancellation (positions two and four). If you want plenty of mid-range bark and crisp high-end bite, Texas Special Strat® pickups are for you! OEM on the Steve Ray Vaughan, Bonnie Raitt,

Texas Special Strat® Bridge: DC Resistance 7.6K Inductance 3.58Henries
