Fender Concert Tone 54 Banjo

The Concert Tone Banjo Series presents modern interpretations of the classic Fender Concert Tone banjos of the 1960s. Just like the popular instruments of that decade, today’s Concert Tone banjos are finely crafted for rich sound, smooth playing

feel and elegant looks. The Concert Tone 54 Banjo offers the most affordable sound and style in the series, with fine features including a rolled steel tone ring, gloss-finish mahogany resonator with aged white binding and black trim, mahogany rim, gloss-finish mahogany neck, and “vintage nouveau” acrylic white pearl inlay work with a “Concert Tone” block inlay at the 18th fret.
