Fender Nohea Koa Tenor Ukulele

Fender® brings you the authentic sound of the Hawaiian Islands with its first-ever series of ukulele models. Ukuleles are

enjoying renewed popularity, with exquisite sounds and designs that are a far cry from mere musical toys. Originally built by Portuguese immigrants to the Hawaiian Islands in the 1880's, the small guitar-like instruments produced a lilting sound that instantly evoked the lush South Pacific atmosphere of their island homeland.

Fender's three new tenor-style ukulele models offer finely crafted sound and construction; they too instantly evoke the sound and spirit of Hawaii. Each features the distinctive Fender Telecaster® guitar headstock shape, unique body shapes and bracing patterns designed exclusively for Fender and a Fender ukulele gig bag to get you started. This one is the Fender Ukulele Nohea. In Hawaiian, this name translates directly into the English lovely, which this model certainly is. Built of laminated koa (a native Hawaiian hardwood used by ancient Hawaiians to build dugout canoes), with a gloss finish and aged abalone acrylic binding. Strings: Aquila Nylagut® Tenor Wound C.
