

# Fender Rincon Tenor Ukulele Acoustic-Electric With Gigbag

Packed with elegant style and top-notch features, the tenor-sized Rincon Ukulele has a rich, deep voice that's uniquely inspiring. "Electrifying" isn't a word one usually associates with ukuleles, but for players who want to plug in and get loud, the Rincon features an onboard Fishman® Kula preamp.

Crafted from ovangkol, with a solid top for enhanced volume, this ukulele sings with full-bodied chime while boasting a natural appearance. A no-tie bridge, bone nut and saddle and eye-catching abalone rosette round out the modern features, while the 2x2 headstock with vintage-style closed-back tuning machines gives it a traditional look.

Whether you're counting sets on the coastline or playing your heart out on stage, your Rincon Ukulele is ready to help you make waves.
