

Fender Ukulele '52

For the musician who wants to stand out from the crowd, we present the Ukulele '52—a cool and affordable electric ukulele shaped like a Telecaster. With its spruce top and mahogany back and sides, it's built to sound sweet and stay sturdy for your recordings and live shows. Even at its low price, it gives you high-quality onboard electronics and premier components such as a rosewood fingerboard, mahogany neck and aged white binding.
