[Fender Zuma Concert Ukulele](#)

Alluring and enticing, like the Southern California beach it's named for, the Zuma Ukulele is an inspiring instrument. Equally at home at the beach or the studio, this concert-sized uke is crafted from sapele, with an open-pore finish for balanced earthy tone that blends well with other instruments.

The Zuma falls between the smaller soprano and the larger tenor sizes,

providing a full sound and comfortable playing experience for players with larger hands. The easy-playing 16-fret neck extends the range, while the no-tie bridge makes changing strings quick and easy. A striking abalone rosette, bound top, back and fingerboard and 4-in-line Tele® headstock, stand out from the crowd with plenty of Fender vibe.
