Fender Zuma Concert Ukulele

Alluring and enticing, like the Southern California beach it's named for, the Zuma Ukulele is an inspiring instrument. Equally at home at the beach or the studio, this concert-sized uke is crafted from sapele, with an open-pore finish for balanced earthy tone that blends well with other instruments.

The Zuma falls between the smaller soprano and the larger tenor sizes,

providing a full sound and comfortable playing experience for players with larger hands. The easy-playing 16-fret neck extends the range, while the notice bridge makes changing strings quick and easy. A striking abalone rosette, bound top, back and fingerboard and 4-in-line Tele® headstock, stand out from the crowd with plenty of Fender vibe.
