Jobe 1/2 Inch Mesh Stainless Steel Classifier Screen

These quality stainless steel classifiers have rugged plastic bodies with stainless steel screens. They are 12 inches wide

at the top and are tapered to fit in the top of a 5 gallon bucket. The overall height is 3 1/2 inches and designed to allow for 4 of the classifiers to be nested with an overall height of only 8 1/4 inches. They are easy to use and a must for proper fine gold recovery.

Price: $24.00

SKU: 6479

Categories: Classifiers

Tags: Classifying Sieves, Gold Prospecting Supplies, Gold Screens

Product Short Description :

-2 Classifier, 5 Gallon Bucket Screen

Color: Black NOTE – They will function the same and still nestle together in a stack with the older purple version.

2 holes per a linear inch

Remember classification and volume are the key to getting more gold!
