Gold Cube Banjo Pan, Pink

The basic gold pan has been used by prospectors since the discovery of gold. A few innovation like adding riffles, drop bottom, different sizes and plastics have made the pan easier to use and somewhat more efficient . However, as many gold prospector know; the process gets slower at every stage when trying to get to the gold. Instead of slowing down at this crucial stage the Banjo Pan speeds it up!

Vortex matting is removable for easy cleaning. This is a new product from the makers of the Gold Cube. See, music and mining do go together!
