Product Short Description :

Spin It Off Black Sand Magnetic Separator is the newest cool tool at an affordable price in the gold mining industry. It is used to separate the magnetite from your concentrates. US Patent 9,358,550.

The magnet is attached to any 3/8″ power drill (not included) to speed up the separation of black sand from gold. The major difference from other black sand magnets is that this one does not pick up any gold with the black sand during extraction!
