

# Shure 520DX Harmonica Microphone

***Customer Service Is Our Top Priority!***

The 520DX features a volume control knob at the base of the microphone that allows users to make adjustments to suit their needs during live performance. An attached cable with a standard 1/4-inch plug allows the microphone to be connected to a high-impedance device. Contoured to fit perfectly between harmonica and hands, it can also be used for distinct, lo-fi vocals.

## Features:

Volume control knob allows users to adjust the volume to fit each musical situation
