The combination of updates make the Super 55 the ideal choice when looking for a dramatic – yet affordable – improvement in

sound quality with an unmistakable vintage design.

Ideal for stage, studio recording, podcasting, and other sound applications where a stand-mounted microphone with a classic look is desired.

Features
Iconic chrome-plated design with vibrant blue color additions
Tailored frequency response for natural vocals and speech
High gain-before-feedback and excellent off-axis rejection
Shock-mounted cartridge minimizes handling noise and ensures quiet operation
Rugged die cast casing for reliability under rigorous conditions
Self-tensioning swivel mount, permits tilting through 45 degrees forward and 80 degrees backward

Summary: The Shure Super 55 is a dynamic microphone with vintage-style design, perfect for use on stage or in the studio. The Super 55 features a supercardioid polar pattern that isolates the sound source and minimizes background noise, making it ideal for use in live performances and on-stage interviews. The Super 55's rich, warm sound and classic design make it a great choice for singers, emcees and spoken word performances, and it's a perfect complement to any vintage-inspired sound and aesthetic.
